

Tarzan Boy (Single Version) [Remastered]

Baltimora

Jungle life, I'm far away from nowhere
On my own like Tarzan Boy
Hide and seek, I play along while rushing cross the forest
Monkey business on a sunny afternoonJungle life, I'm living in the open
Native beat that carries on
Burning bright, a fire the blows the signal to the sky
I sit and wonder does the message get to youNight to night
Gimme the other, gimme the other chance tonight
Gimme the other, gimme the other night to night
Gimme the other, gimme the other worldJungle life, you're far away from nothing
It's all right you won't miss home
Take a chance, leave everything behind you
Come and join me, won't be sorry, it's easy to surviveJungle life, we're living in the open
All alone like Tarzan Boy
Hide and seek, we play along while rushing cross the forest
Monkey business on a sunny afternoonNight to night
Gimme the other, gimme the other chance tonight
Oh yeah, night to night
Gimme the other, gimme the other night to nightYou won't play, night to night
Gimme the other, gimme the other chance tonight
Oh yeah, night to night, night to night
Gimme the other, gimme the other
