Isolation

Thirty years of nothing
Macabre chilling scene
Heinous is the rescue of the
infants soulless screams
Raking up the past
Opposites attack
Adjustment brings me danger
Let sleeping dogs lay
Confronting guilt
strange faces appear
Allies are Foreign
conscience of blood
Taken at birth
happiness abused
History is hanging
for the ten score and three
Thirty long years of nothing
In exile
stripped away
all is lost
Sterile life static law
Sterile life static law
Thirty years of nothing
Surviving the test of time
Fermented controlled chaos
Left in a dirty malingering lie
Tested is my courage
skeletons appear
Adjustment brings me danger
Let sleeping dogs lay
Retracing steps faking ties
Running hard saved my life
Emotional blackmail
The well of forgiveness has run dry
Sterile life static law
Sterile life static law
Thirty years of nothing
Thirty years of nothing

Thirty years of nothing
Thirty years of nothing
