

# Out of Season

Doug Hoyer

I found out  
Just a little too late  
I had my doubt  
But I decided to wait  
Even though I could feel  
    Somethin' comin'  
It came as such a surprise  
I should have known  
When you first started  
Runnin' away before my eyes  
I'm so out of season  
    You left me cold  
And I'm standin' here freezin'  
I'm so out of season now  
    I lost out  
I wasn't playing to win  
And then I think about  
How I just took it all in  
    Just when I thought  
I couldn't get any higher  
You cut me down to size  
I should have noticed  
When you put out the fire  
Instead, I just closed my eyes  
I'm so out of season  
    You left me cold  
And I'm standin' here freezin'  
I'm so out of season now  
    I'm so out of season  
    You let me go  
And you gave me no reason  
I'm so out of season now  
Even though I could feel  
    Somethin' comin'  
It came as such a surprise  
I should have known  
When you first started  
Runnin' away before my eyes  
I'm so out of season

You left me cold  
And I'm standin' here freezin'  
I'm so out of season now  
I'm so out of season  
You let me go  
And you gave me no reason  
I'm so out of season now  
I'm so out of season now  
I'm so out of season now  
I'm so out of season now
