

# Faithful and True

## Cade Thompson

And You are the way, the truth and the light  
You call me form in my day and You know what's just right  
Yes You do.  
And You are faithful and true.

You are my hope and You provide  
You give me joy and peace that overflow in my life  
Yes You do.  
You are faithful and true.

In the morning, Your mercy is there new  
In the daytime Your grace is shining through  
In the night-time Your face shines through the moon  
Throughout my day You are faithful and true.

When fear's taking my breath away  
About what's coming up in my day  
I look into Your word and all the things that You say,  
That You say

And in the morning, Your mercy is there new  
In the daytime Your grace is shining through  
And in the night-time Your face shines through the moon  
Throughout my day, You are faithful and true.

When I'm going through the valley of the shadow of death  
You are a lamp to my feet, You are a light to my path(\*3)

In the morning, Your mercy is there new  
In the daytime Your grace is shining through  
In the night-time Your face shines through the moon  
Throughout my day You are faithful and true.
