Rich In Love

Baha Men

Well, well, well, well well, well, wellI said I'm rich in love
(Rich in love)
I said I'm rich in love
(Rich in love)
I said I'm rich in love
Rich in love, love, love, loveI said I'm rich in love
Financially I'm a pauper
No I'm not the man for you
If it's money you're afterI said I'm rich in love
Financially I'm a pauper
No I'm not the man for you
If it's money you're afterThis is not a bank
This is not a brinks
The best that I can buy for you
Is something cool to drinkYou say you want
Gold chains and Gucci links
Expensive fur coats
Versace and minksThis is not Chase Manhattan or HSBC
Citibank or CIBC
Yeah what can I do for you
But what can you do for me
You want me pay for your things
But you want mine freeI said I'm rich in love
Financially I'm a pauper
No I'm not the man for you
If it's money you're afterDon't want an empty pocket man
He's got to have money
No pauper, no beggar
Can get none of my honey
If you're bank book's low
You're not my kind of manWell I like to shop
Will you build a them all for me
I like to fly will you buy a jet for me
If you do all of that
Then you're my kind of manI said I'm rich in love
Financially I'm a pauper
No I'm not the man for you
If it's money you're afterI said I'm rich in love
Financially I'm a pauper

No I'm not the man for you
If it's money you're afterWell I'm not saying
I wouldn't give it if I had it
But right now it's pure
Echo in your pocketsGirl if it's money you are after
Please stop it
You see I'm out of your league
So just drop itI know my loving can't bring you
Riches on the stock market
You're loving can't even
Fill up my grocery basketAnd I'm sure that your loving
Can't pay my rent
But my loving is free girl
It don't cost a cent so take itI said I'm rich in love
Financially I'm a pauper
I said I'm rich in love
Rich in love, love, love, loveRing ring, Bill Gates just phoned me
He wants me for his queen
He's built a throne for me
A billionaire that's my kind of manGirl look
Love me for me and not my bank book
I'm searching for love not for a crook
You will get the point if you listen to the hook
To the hookI said I'm rich in love
Financially I'm a pauper
You're not the girl for me
If you're rich is afterI said I'm rich in love
Financially I'm a pauper
No I'm not the man for you
If it's money you're afterI said I'm rich in love
Financially I'm a pauper
No I'm not the man for you
If it's money you're afterI said I'm rich in love
Financially I'm a pauper
No I'm not the man for you
If it's money you're after
