

With A Child's Heart

Michael Jackson

With a child's heart
Go face the worries of the day
With a child's heart
Turn each problem into play No need to worry, no need to fear
Just being alive makes it all so very clear With a child's heart
Nothing can ever get you down
With a child's heart
You've got no reason to frown Love is as welcome
As a sunny, sunny day
No grown-up thoughts
To lead our hearts astray Take life easy, so easy, nice and easy
Like a child so gay and so carefree The whole world smiles with you
As you go your merry way
Oh, with a child's heart
Nothing's gonna get me down
