A Date With Destiny

Guttermouth

every time i look at your face it makes me want to taste it makes me want to taste it every time i look at your face, it makes me want to rip my heart right out of me shove me back in line i'll groom you so lovingly - i'm yours your worth your weight in gold the gorgeous ring in your nose we can take in a show or a rodeo o-o-o every time i look at your face it makes me want to taste it makes me want to taste it every time i look at your face, it makes me want to what we've got is very rare you look so delicious i'll make you your favorite meal - hey! your worth your weight in gold the gorgeous ring in your nose we can take in a show or rodeo o-o-o every time i look in your face i see a thousand steaks a thousand plates of steaks -yeh! when the people want to buy and the market's high just kiss your ass goodbye you can kiss your ass goodbye (x3) i can't explain our bond life without you will be so hard who's gonna plow my field i loved you and you're a veal
