

# Alive And Kickin'

## Mr. Big

Black top blazin', hometown fadin'  
Out of sight in the rear view mirror  
Stevie Ray blasting on the radio  
As I slam it into higher gear  
My baby's by my side, tears in her eyes  
Writing a goodbye letter  
Sayin' Johnny and me are running' wild and runnin' free  
Just like you did mamma  
Don't know where we're goin'  
But when we get there we'll know  
We're gonna follow the code of the road  
Jump into the fire  
Keep our love alive and kickin'  
Down the dorr, it's what we're livin' for  
Rockin' side by side  
Keep your love alive and kickin'  
We got everything we own in the trunk and on the roof  
And she's got baby sitting money in her pocket  
We're drivin' fast, ain't no looking back  
We're flyin' through the desert like a rocket  
White line widin' up interstate five  
The road goes on forever  
And it doesn't matter where it's gonna take us  
As long as we're together  
We're talkin' our chances  
Gonna do it our way  
Pedal to the metal shooting down the highway  
Jump into the fire  
Keep our love alive and kickin'  
Down the walls, that's when  
Freedom calls  
Rockin' side by side  
Keep your love alive and kickin'
