

# Early One Morning

## Sweetfire

Early one morning  
As the sun was rising  
I heard a voice in the walley below.  
    Don't decieve me  
    Don't you leave me  
    How could you treat  
        A poor girl so?  
    Early one morning  
        I saw her walking  
I heard a voice in the walley below.  
    Don't decieve me  
  
    Don't you leave me  
    How could you treat  
        A poor boy so?  
    So I sit on yonder hill  
    And I wonder if anyone  
        Thinks of me still  
    Why did you leave me?  
    Why did you decieve me?  
    How could you treat  
        A poor girl so?  
If anyone thinks of me still  
    Why did you leave me?
