Dancing In the Rain

Deshaun Clarke, Rakim Kelly & Lost & Found Music S

Ohhhhh

Yeah it's crazy how the world spins round and round
With all this foolishness going down
I keep my head up
And on a good path
But when I look back
Ain't gotta feel the ride
Ohhhh
Anybody that is hangin'
They all want me to slip
Like Jude and skating
I bust a triple axe
So they make it look like what
I keep it classy,no professor
I just wanna be myself when I can
I don't want the people's love feeling free man
Jude flys away, yeah I'm talking miles away
I just wanna be myself when I can
I don't want the people's love feeling free man
Ayy super plain
I'm dancing in the rain

I'm dancing in the rain
I'm not waiting for the storm to pass
Cos even when it rains I'm gunna dance
Ohhhh ohhhhh ohhhhh
You can keep your umbrella
Under with stormy weather
Soaking into me tastes so bitter sweet
Ima bout to leave this shelter
Ima be free forever
You just wait and see

I'm Dancing in the rain
I'm not waiting for the storm to pass
Cos when it rains I'm gunna dance
