

# Maybe You Can Owe Me

## Architecture in Helsinki

Maybe you can owe me?  
Or should we wait and see?  
'Cause I've been saving up for something we need  
As long as you're open to the possibility, yeah Surely, there's a story  
In counting all the minutes 'till July the 1st  
But you counted all the seconds and it makes you feel worse  
I don't wanna be here  
You just wanna be there  
But its awful complicated and you're warning me to beware  
Beware And honey  
There's no hurry  
I know it's overdue, there's a key to the door  
To the room where I'm staying, you can sleep on the floor  
Halfway through the night can we talk and see?  
'Cause there's no way that I'll sleep when you're near me  
There's no way that I'll sleep when you're near me
