

# Blow

Beyoncé©

[Intro:]

I love your face  
You love the taste  
That sugar babe, it melts away

[Verse 1:]

I kiss you when you lick your lips, (I kiss you and you lick your lips)  
You like it wet and so do I, (You like it wet and so do I)  
No you never waste a drip, (No you never waste a drip)  
I wonder how it feels sometimes  
Must be good to you

[Pre-Hook:]

(Keep me coming, keep me going), keep me coming, keep me going  
(Keep me humming, keep me moaning), keep me humming, keep me moaning  
(Non-stop love until the morning), Non-stop love until the morning  
(Non-stop screaming, freakin', blowin') Blow-o-o

[Hook:]

Can you eat my skittles  
It's the sweetest in the middle  
Pink is the flavor  
Solve the riddle

I'm a lean back  
Don't worry it's nothing major  
Make sure you clean that  
It's the only way to get the  
Flavor

[Verse 2:]

When you're thirsty and need love  
I give it up till I'm empty baby  
Must be good to you  
If you're lonely in your bed, I'll fill it up to the top, baby  
Must be good to you

[Pre-Hook]

[Hook]

I'm about to get into this girls,  
This is for all my grown women out there

I can't wait till I get home so you can tear that cherry out, (turn that cherry out, turn that cherry out)  
I can't wait till I get home so you can tear that cherry out, (turn that cherry out, turn that cherry out)

I want you to  
(Turn that cherry out, turn that cherry out)

I want you to  
(Turn that cherry out, turn that cherry out)

I want you to  
(Turn that cherry out, turn that cherry out)

I want you to  
(Turn that cherry out, turn that cherry out)

Ooh I had a naughty thought today baby  
Every time I close my eyes  
Ooh get a glimpse of this candy paint  
Don't slip off when it drip off on top of your ride  
You see it here, Lift it up toss it babe  
I know everything you want  
I'm a show you how I stroke (stroke it)  
Bring your work home on top of me  
I'm a let you be the boss of me
