N-Nigga I'll rather be rich then famous[Verse: 1 Takeoff]

Young nigga, young nigga I'll rather be richer

Than flexing these cameras and taking these pictures

Ima young nigga, I walk 'round the hood

Got boss credentials, they callin' me mister

Quick to shoot 3, Derek Fisher

No referee I'm official

I just might pull out my Fisker, you pussy I see your whiskers

Call up the plug no Santa, but he sending trees and gas for Christmas

Whippin' the dope, I terminate it, J's they say it's delicious

I got a bitch in my kitchen, with a onion booty I call her Delicious

And after she water whip it, I make that bitch wash the dishes

Back to the Fisker, I'm doing 250, I'm praying I don't get a ticket

Yes I'm a Migo, but I don't wear Dickies, I'll rather put on True Religion

And if you want fame over money my nigga, then you not true to your religion

I'll rather be rich, cause its some niggas that's famous that ain't got shit.[Hook][Verse 2: Quavo]

I'll rather be rich, I flex with your bitch

You can have the fame, you can have the gold chain

M's nigga, 100 M's nigga

Got some niggas in the hood, they got M's nigga

Ask P, ask me

Northside Migo gang OG

Ridin' round, deuces on a damn Audi

Before I had a deal, young nigga copped it

Them dubs, them fifties, them hundreds, my trap always bunkin' you niggas is funny

I'm laughin with money, beatin the block like I'm sonny

Taking them trips making them flip

12 hit the block then I dip

Callin' up P, for the whips

Get in the pot then I WHIP![Hook]
