The Surrender

Jarod

Don't label me a monster
I'm a monster just like you
Don't label me a victim
'Cause I'm a victim just like you
I'm a victim just like youWhen your heart aches
You can know that mine aches too
And when you run away
I run away like you
I run away like you, I doBut you know there's a part of me that will always let you down
And you know there's a part of me that will always make you cry
And you know there's a part of me that just won't let you die
Inside 'cause I surrenderI surrender into you, I do
Keep surrendering into you, I do, I do
I surrender just for you, for yes
