Shotgun (Sam Lightnin Hopkins)

Lightnin' Hopkins

Yes I said, go bring me my shotgun, go and bring me back some shells
Yes I said go bring me my shotgun, go and bring me back a pocketful of shells
Yes if I don't get some competition, you know there's gonna be trouble hereYes you know my woman tried to quit me, when I ain't done nothing wrong
She done put me out of doors babe, and I even ain't got no home
I said go, bring me my shotgun, whoa Lord and a pocketful of shells
Yes if I don't get some competition you know there's got to be trouble hereYes you know my mama told me, the day that I left the door
She says you gonna have bad luck son, and I don't are where you go
I said just bring me my shotgun, boy you can bring just one or two shells
Yes if I don't get some competition, you know there's go to be trouble hereWell I cried bye, bye baby, you know you done me wrong
I'm gonna take my little shotgun now, I'm gonna carry it back home
I said go out in the morning, boy, and carry my shotgun home
Yes I figured the best thing I can do was leave that woman alone
