

Made It

Infectious Grooves

-Muir-Pleasants-Trujillo-

I'm lookin' for a little bit Heaven

 Didn't think you'd make it (4x)

 Didn't think you'd make it - from where there's no
 second chance when you slip

 Didn't think you'd make it - to get away most just dip
 light and trip

 Didn't think you'd make it - you gotta get away or
 your mind's gonna rot

 So happy that you made it - they called us stupid but
 we never got caught

 So we're looking for a little Heaven. When we're livin'
 in a little Hell

 Didn't think you'd make it (2x)

 Didn't think you'd make it - it's so hard to make it
 when they want you to fail

 Didn't think you'd make it

 Not all the old Hommies are dead, some are in jail

 Didn't think you'd make it - they already reserved us
 a cell

 So happy that you make it - but we found a little
 Heaven in a place like Hell

 Where you find a place like Heaven. When you live in
 a place like Hell?

 Just lookin' for a little bit of Heaven. Yea but this is a
 place like Hell

 Trying to find a little bit of Heaven in a place like Hell

 Lookin' for a little bit of Heaven - I'm lookin' for a little
 bit of Heaven

 Lookin' for a little bit of Heaven. Heaven
