Top Floor

Kirko Bangz

(Kirko Bangz)
Uh shit
(Kirko Bangz)
Meet me at the top floor
Too hot So I high roll
Tell 'em you for Kirko when you pull up to the condo
Super bad she super fine she super mine and she super dope
Super man I save the day I save the night and I give her hope
Call her up when I wanna fuck
Red bull and I hit the door
Tell my friend to go pick her up from the lobby don't get too close
If your friend said she wanna fuck then you know we gonna flip some hoes
If she say she don't wanna fuck give me a minute and I'll fix it hoe
Simple nigga instrumental killa
Bout to make a movie I'm Ben Stilla
Skin vanilla
Hey deala my dope nuts like Jade Dada
She hit the sweet then she hit the drink
Then she was giving it up in eight minuets
I hit the sweet then hit the drank
Then I was writing my name in it.
(Chorus)
Meet me at the top floor(4x)
I'll Be Waiting(6)
Meet me at the top floor(4x)
I'll Be Waiting(6)
(2 Chainz)
2 Chaiiiiinz
I'm on the top floor presidential suit
Monica Lewinsky presidential freak
Look at my rolley look at my piece
And I got connects like two swisher sweets
I am getting to the money you should join a nigga

If yo baby daddy hatin' you should warn a nigga
Yeah that bitch bad tell her phone a nigga
She dark skin but she brought a yellow bone with her

My garage is bigger than yo damn crib

Top off dip the swag in hot sauce
Hit the elevator headed to the top floor
