

Highway Jones

Cry of Love

Down town in the midnight rain
Boys are down on the dead end scene
Came around when I turned 13
Cop a ride on the red machine Get it on, Get it on
Get it ...oh o wow o wow on
Yeah yeah
Yeah yeah Feeling the Highway Jones
Feeling fine, but it's alright
Ready to shake my bones
Feeling the Highway Jones Always something that's ????? to me
Too many places I got to see
Find a way to get what you need
Keep on riding on the red machine
Get it on, Get it on
Get it ...oh o wow o wow on
Yeah yeah
Yeah yeah Feeling the Highway Jones
Feeling fine, but it's alright
Ready to shake my bones
Feeling the Highway Jones Get it on, Get it on
Get it ...oh o wow o wow on
Yeah yeah
Yeah yeah Feeling the Highway Jones
Feeling fine, but it's alright
Ready to shake my bones
Feeling the Highway Jones
Feeling the Highway Jones
Feeling fine, but it's alright
Ready to shake my bones
Feeling the Highway Jones Down town in the midnight rain
Boys are down on the dead end scene
Came around when I turned 13
Cop a ride on the red machine
