I don't walk outside
Cause where would I go?
We won't knowTime takes its toll
And where would I go?
We won't knowBecause I don't wanna smoke outside (x3)I don't wanna walk outside
Cause where would I go?
Well I don't knowTime takes its toll
And where would I go?
We don't knowBecause I don't wanna smoke outside (x3)
I don't wanna walk outside without you
