In Love With You

Jimmy Nevis

And she says, she needs more than a friend
That's all I've ever been, yo
Well, one day you gon' overstand
Now remember the first time that we met
How could I forget you, when you smiled
And I turned and I said to you, "Yo, yo, you're pure and true"
I'm in love with you, in love with you
In love with you, in love with you
I'm in love with you, in love with you
In love with you, in love with you, yeah
Now I'm so in love, baby
An' I don't care what your mama say
Standin' in love, lady
An' I don't care what your sister say, I need you
He said, he's really diggin' me
I don't know what to say?
I can't imagine, why I feel so weak? Say, say
That's when he took my heart in his hands
And kissed it gently
He opened up his lips, then said this poetry
I'm in love with you, love with you
Love with you, love with you
Love with you, love with you
I'm in love with you, love with you
I'm so in love, baby
I don't care what your brother say, what?
I'm so in love, baby
I don't care what the people say
Well, I try and I try, and I try and I try
And I try and I try, and I try and I try
And you said, you need more than a friend
That's all I've ever been, yo
Well, one day you gon' overstand
And when I look in your eyes, I know
That you were meant to be my solider
So, baby, come on, I mean it desperately
I'm in love with you, love with you
I'm in love with you, in love with you
Now see, I'm in love with you, love with you

No, no, no, I'm in love with you, in love with you
Don't say, 'cause I'm so in love, baby
I don't care what the people say
Now I'm so in love, baby
And I don't care what your teacher say
I'm so in love, baby
I don't care what the [Incomprehensible] say
I try, I try, I try, I try
I try, I try, I try, I try
'Cause you in love with me
You in love with me
No, you in love with me
No, no, no, you in love with me
No see, you in love with me
No, no, no you in love with me
No, I think you in love with me
No, no, no you in love with me
I know you in love with me
No, no, no you in love with me
Alright, I'm in love with you
Yes, I'm in love you
I'm in love with you
And I'm in love with you
Ooh, I'm in love with you
Yes, I'm in love with you
Oh I'm in love with you
I'm in love with you
Love with you
In love with you
In love with you
Yes, I'm in love with you
Yes, I'm in love with you
