

# No Matter What (Studio Demo Version) [Mono]

## Badfinger

No matter what you are  
I will always be with you  
Doesn't matter what you do, girl  
Ooh girl, with you No matter what you do  
I will always be around  
Won't you tell me what you found, girl?  
Ooh girl, won't you? Knock down the old gray wall  
And be a part of it all  
Nothing to say, nothing to see, nothing to do If you would give me all  
As I would give it to you  
Nothing would be, nothing would be, nothing would be No matter where you go  
There will always be a place  
Can't you see it in my face, girl?  
Ooh girl, want you Knock down the old gray wall  
Be a part of it all  
Nothing to say, nothing to see, nothing to do If you would give me all  
As I would give it to you  
Nothing would be, nothing would be, nothing would be No matter what you are  
I will always be with you  
Doesn't matter what you do, girl  
Ooh girl, with you Ooh girl, you girl  
Want you  
Ooh girl, you girl  
Want you
