Hello, Dolly!

Julie London

Oh, hello Dolly, well, hello Dolly
It's so nice to have you back where you belong
You're lookin' swell, Dolly, I can tell, Dolly
You're still glowin', you're still crowin', you're still goin' strongWe feel the room swayin' while the band's playin'
One of your old favorite songs from way back when
So, take her wrap fellas, find her an empty lap, fellas
Dolly won't never ever go away againHey, hello Dolly, well, hello Dolly
It's really nice to have you back where you belong
Girl, you're lookin' swell, Dolly, I can tell, Dolly
Still glowin', still crowin', you're still goin' strongWe feel the room swayin' while the band's playin'
One of your old favorite songs from way back when
So, take her wrap fellas, find her a big fat lap, fellas
Dolly don't ever go away, Dolly don't you ever, ever go away
Dolly don't you ever go away again
