

Santa Claus Is Coming to Town

B2K

You better watch out
You better not cry
You better not pout
I'm telling you why
Santa Claus is coming to town
He's making a list
And checking it twice
Gonna find out who's naughty or nice
Santa Claus is coming to town He knows when you are sleeping
He knows when you're awake
He knows when you've been bad or good
So be good for goodness sake You better watch out
You better not cry
You better not pout
I'm telling you why
Santa Claus is coming to town
He's making a list
And checking it twice
Gonna find out who's naughty or nice
Santa Claus is coming to town Little tin horns
And little toy drums
A rooty-toot-toot
And a rumpa-bum-bum
Santa Claus is coming to town The kids and girls in boyland
Will have a jubilee
They're going to build a toyland
All around the Christmas tree You better watch out
You better not cry
You better not pout
I'm telling you why
Santa Claus is coming to town
He's making a list
And checking it twice
Gonna find out who's naughty or nice
Santa Claus is coming to town I hit Santa on two-way
To see if he coming through-ay
He hit me back with a message
Yo I'm stuck in St. Louis
He says

Be patient Fizz
I'll be on my way
Two seconds later I hear this fool
Coming down my chim-a-ney
What happened to Rudolph
You not cool with him no more
Man that fool old and slow
Had to take the '64
Anyway, here's your ice
Where my ride
Outside
Where's my dime
My bad dog
Yo I got you next time
FA SHO You better watch out
You better not cry
You better not pout
I'm telling you why
Santa Claus is coming to town
He's making a list
And checking it twice
Gonna find out who's naughty or nice
Santa Claus is coming to town
