

Senorita

Trick Pony

One, two, three, come on
I got to say, there's somethin' on my mind
About the way you've been for a long long time
You've got your mind setup on what you're gonna do
But let me tell you baby, your momma didn't make no fool
You're my little Senorita, [unverified] mas bonita
You've got it goin' on, hey, hey, hey
You're my little Senorita, [unverified] mas bonita
You've got it goin' on, hey, hey, hey
Listen up now
Momma warned 'bout a girl like you
She said, ?A girl, like that's gonna break your heart in two
With sexy legs and hair and naughty little walk?
Stop right there momma 'cause you know that's what I want
You're my little Senorita, [unverified] mas bonita
You've got it goin' on, hey, hey, hey
You're my little Senorita, [unverified] mas bonita
You've got it goin' on, hey, hey, hey
Watch her walk
You're my little Senorita, [unverified] mas bonita
You've got it goin' on, hey, hey, hey
You're my little Senorita, [unverified] mas bonita
You've got it goin' on, hey, hey, hey
My little Senorita
