Walk On the Water

City Boy

(MasonThomasSlamer)I saw him selling scenes from illegal dreams
The dude with an eye for a dime
Michael, my disciple...Then there was John the faithless one
He was a sunny side boy on a money call
Colossal apostle...They found us in a tent by the river Trent
We stood in the stream, killing bream
An old-time revival...
Chorus
Why don'cha!
Take a walk on the water, take a walk on the water,
Take a walk on the water... Chilly, chilly cold.
Take a walk on the water, take a walk on the water,
Take a walk on the water... Chilly, chilly. Hey Jude with Your eyes giving guilt to mine
You caught me turning the water to wine
Water DiviningIn a massive country pad
Slowly going mad, gimme a banner headline
And a space in "TIME" "The boy has the Power."Chorus
So here we had three believers in me
With virgin white robes and mystical strobes
Mazuma time with a neon sign
Forget the tent now the money's spent.Chorus
