

# Moonlight Serenade

Cyril Stapleton

I stand at your gate  
And the song that I sing is of moonlight  
I stand and I wait  
For the touch of your hand in the June night  
The roses are sighing a moonlight serenade  
The stars are aglow  
And tonight how their light sets me dreaming  
My love, do you know  
That your eyes are like stars brightly beaming?  
I bring you and sing you a moonlight serenade  
Let us stray till break of day  
In love's valley of dreams  
Just you and I, a summer sky  
A heavenly breeze kissing the trees  
So don't let me wait  
Come to me tenderly in the June night  
I stand at your gate  
And I sing you a song in the moonlight  
A love song, my darling, a moonlight serenade  
So don't let me wait  
Come to me tenderly in the June night  
I stand at your gate  
And I sing you a song in the moonlight  
A love song, my darling, a moonlight serenade  
Moonlight
