Be My Salvation

Seven Places

Plead my cause oh Lord, You fight for me
Be my shield, stand for me
Jesus, my King
My God, my friend, my everything
And I'll sing to You, I'll sing to Your name
Be my salvation
And let the Lord be magnified, give Him praise
And let me shout for joy, and be glad in His name
Jesus, my King

My God, my friend, my everything
And I'll sing to You, I'll sing to Your name
Be my salvation
I see the Lord, seated on the throne, exalted
And the train of His robe, fills the temple with glory, with glory, with glory
Jesus, my King
My God, my friend, my everything
And I'll sing to You, I'll sing to Your name
Be my salvation, be my salvation, be my salvation
