Marian Hill

[Verse 1: Samantha Gongol]

I know this story, I know it well

Know how much you're missing

I can see how far you fell

I know about her

I know she's new

But try to see her from a different point of view

I know you want

I see his face

And I know what you wanna say

[Chorus: Samantha Gongol]

Tell me, does she kiss like me?

Do you wish that we ended differently?

C'mon, tell me, can she sing like me?

She a king like me?

Are you lost at sea at all?

Tell me, is she there like me?

Do you care that she runs around till 3, do ya?

Tell me, are you missing me?

Do you wish that we ended differently?[Post-Chorus: Samantha Gongol]

[Verse 2: Samantha Gongol]

You say she's basic

That might be true

But you don't know her and she's not concerned with you

It's all about him, he hasn't grown

And we both know that you're so much better on your own

So let him watch you walk away

I never want to hear you say[Chorus: Samantha Gongol]

Tell me, does she kiss like me?

Do you wish that we ended differently?

C'mon, tell me, can she sing like me?

She a king like me?
Are you lost at sea at all?
Tell me, is she there like me?
Do you care that she runs around till 3, do ya?
Tell me, are you missing me?
Do you wish that we ended differently?[Post-Chorus: Samantha Gongol]

I can see you're missing me

And you wish that we ended differently

Even if she sings like me, she's a king like me

You'll be lost at sea

I know you were never there for me

And I'm sure she'll see what a fool you'll be

We don't

Even if you're missing me
