Postcard From Heaven

Lighthouse Family

If you never say goodbye
To the best thing in your life
There are things you don't appreciate
At allSo it's best that you don't try
Holding back the time
Are you ever gonna be
Quite satisfiedPostcard from heaven
Go to where you belong
Never find the perfect situation
until you know where you're fromIf you ever say goodbye
No regrets, I won't ask why
And I wish you all the best luck
In the worldShould you ever change your mind
Holding back the sunshine
Are you ever gonna be
Quite satisfiedPostcard from heaven
Go to where you belong
Never find the perfect situation
until you know where you're fromPostcard from heaven
Go to where you belong
Never find the perfect situation
until you know where you're from
