

# Cliche (Hush Hush)

Grace Chapman

I feel so good when I spend all my time with you  
I feel so safe after all we've been going through  
When I'm looking in your eyes  
I can see that you want me too  
So go on, I feel so good when I spend all my time with you  
When the night is gonna get to you  
We're gonna scream my love, even dance forever  
And I'm gonna be in your groove  
I'm gonna dance with you until the night comes to an end  
[Chorus]Hush hush, baby, don't you know, we are not a cliche  
Hush hush, baby, don't you want us to sway the same way  
Hush hush, baby, it's been a wonderful day  
And when the night comes near we gonna need a replay  
Hush hush, baby, don't you know, we are not a cliche?  
I feel so good, is gonna move me so close to you  
I feel so safe I could go all the way with you

When the night is gonna get to you  
We're gonna scream my love, even dance forever  
And I'm gonna be in your groove  
I'm gonna dance with you until the night comes to an end  
Hush hush, baby, don't you know, we are not a cliche  
Hush hush, baby, don't you want us to sway the same way  
Hush hush, baby, it's been a wonderful day  
And when the night comes near we gonna need a replay  
Hush hush, baby, don't you know, we are not a cliche?  
Hush hush  
Hush hush  
Hush hush

Hush hush, baby, don't you know, we are not a cliche, cliche  
Hush hush, baby, don't you want us to sway the same way  
Hush hush, baby, it's been a wonderful day  
And when the night comes near we gonna need a replay  
Hush hush, baby, don't you know, we are not a cliche
