

I Remember

[deadmau5](#)

Feeling the past moving in
Letting a new day begin
Hold to the time that you know
You don't have to move on to let goAdd to the memory you keep
Remember when you fall asleep
Hold to the love that you know
You don't have to give up to let goRemember turning on the night
And moving through the morning light
Remember how it was with you
Remember how you pulled me throughI remember, I remember
I remember, I remember
I remember, I remember
I remember, I rememberFeeling the past moving in
Letting a new day begin
Hold to the time that you know
You don't have to move on to let goAdd to the memory you keep
Remember when you fall asleep
Hold to the love that you know
You don't have to give up to let goRemember how it was with you
Remember how it was with youI rememberFeeling the past moving in
Letting a new day begin
Hold to the time that you know
You don't have to move on to let goAdd to the memory you keep
Remember when you fall asleep
Hold to the love that you know
You don't have to give up to let goRemember turning on the night
And moving through the morning light
Remember how it was with you
Remember how you pulled me throughI remember, I remember
I remember, I remember
I remember, I remember
I remember, I remember
