

Suddenly Love

[Chris de Burgh](#)

Suddenly love
Comes in and finds me on open ground
Nowhere to hide, nowhere to run
There's no turning back
And a journey has just begun Suddenly love
Breaks down the doors, there is singing inside
And all of the light that's in your eyes
Shining here tonight Has woken the man in me
And the woman in you
The woman in you All night, heads on the pillow
And eyes that are never shut
All night, rain on the window
But inside, we have so much Suddenly love
Takes me away where I've never been
Shows me a world I have never seen
I could only dream That I ever would find myself
With a lover like you
A lover like you All night, heads on the pillow
And eyes that are never shut
All night, body to body
And thrilling to every touch Oh, suddenly love
Takes me away where I've never been
It shows me a world I have never seen
And I just want to be
Alone in your mystery Love me over and over
And over and over again
