# Let it Snow

## Boney James

Let it snow, let it snow
Hey, it's another Christmas holiday
It's a joyous thing let the angels sing
Cause we're together
We got a thing can't let it slip away
No, outside its raining sleet
When our bodies meet
I don't care about the weather

[Chorus:}
Let it snow, let it snow
Outside its cold but the fire's blazin'
So baby let it snow
Let it snow, let it snow, let it snow

Ohhh, come over here and help me trim the tree
I want to wrap you up baby
Maybe then you'll see you're the only present I need
There's so much more
Waiting for you in store
From this precious day
I can gladly say
There's no place I'd rather be
I know you are my everything, come a little closer
God must have sent you down from heaven

[Chorus]

Let it snow, let it snow
Let it snow, let it snow (repeat 4x)
I don't care what the weather may be
As long as you're here with me
