

Come Back to Me

Tom Scott

Must be a reason why
You didn't say goodbye
Now you're gone
I was wrong to let you get away
Miss you every day
Wish you would give it one more try Won't you come back, come back to me
Come back, come back to me
Come back, come back to me
Come back, come back to me All the things I'd do
If I could be with you
Let me show you
I know you can never find
Love as sweet as mine
Let me prove it all to you Won't you come back, come back to me
Come back, come back to me
Please come back, come back to me
I need you to come back, come back to me Comes once in a lifetime
It's too good to me
I would give anything
For love like this, hey I need you come back
I need you come back
I need you come back
I need you come back Now I'm on my own
By the telephone
Hoping you'll say that you'll stay
'Cause you're hopelessly
In love with me
Please don't leave me all alone
Come back home Come back, baby, I need you
Ooo yeah
Come back, I need you baby, baby
Come back, baby,
Come back, baby, I need you
I need you, say yeah
Day in and day out I can't take it...
