# From the Morning

## Andrea Corr

(originally by Nick Drake)
A day once dawned, and it was beautiful
A day once dawned from the ground
Then the night she fell
And the air was beautiful
The night she fell all around.
So look see the days
The endless colored ways
And go play the game that you learned
From the morning.
And now we rise
And we are everywhere
And now we rise from the ground
And see she flies
And she is everywhere
See she flies all around
So look see the sights
The endless summer nights
And so play the game that you learned
From the morning
So look see the sights
The endless summer nights
And so play the game that you learned
From the morning
