Saying I love You

soyu

Deep in the heart of a man is a need
For someone to satisfy, someone to plead
Finding love's like chasing whispers in the dark
Takes more than words to see
Saying I love you doesn't mean that we're in love
You've got to give love to show that it's true
Saying you need me just doesn't mean we
Don't have to give all we are, all we do
Honey I'll give it all to you
Woman like you has heard it all before
Smooth talking lies and they're knocking on your door
I'll bring you truth just like water from the well
I can always give you more, baby I'm yours
Saying I love you doesn't mean that we're in love
You've got to give love to show that it's true

Saying you need me just doesn't mean we
Don't have to give all we are and all we do
Honey I'll give it all to you, baby I'll give it all to you
Finding love's like chasing whispers in the dark
Takes more than words to see, baby I believe
Saying I love you don't always mean love
You gotta give love to show that it's true
Saying you need me just doesn't mean we
Don't have to give all we are, all we do
Saying I love you doesn't mean that we're in love
You got to give love to show that it's true
Saying you need me just doesn't mean we
Don't have to give all we are, all we do
Honey I'll give it all to you, darling I'll give it all to you, oh yeah
