Last Time I Do This for the First Time

The Blamed

monday is gone
go back home
it tears me up when we're apart
a letter in the mail
it's better to say this in person
there was a time i'd die for you
but it seems there's nothing left
did we ever see eye to eye
come back
hurt me again
blame me for us
go on home
i'll see you next month
