Without You

Kyla

VERSE 1It feels like a lifetime,
A thousand days have passed by
Since I held you close to me
If I could see that smile from my friend
I know that I could live again
I need you here with meCHORUSHeaven knows what to say
Even though for right now
youre so far away
I hope and I pray
Somewhere in your heart Ill always stay
Girl, lately
my sun doesnt shine without you
Never noticed
what it feels like to be without you
Feels like I took my last step
And my last breath and my life ended
Had to say just what I was feeling, girl
Cause my sun doesnt shine,
Sun doesnt shine without youVERSE 2This is more for me than for you
Girl, I finally see theres no substitute
For what we have
Do you know how much I love you?
And what weve shared
I cant forget
Girl, a love like yours
Ill never let just slip away
Just promise me that youll stayCHORUSHeaven knows what to say
Even though for right now youre so far away
Gonna tell you and show you
Do whatever I can do to get back to you
Girl, lately
my sun doesnt shine without you
Never noticed
what it feels like to be without you
Feels like I took my last step
And my last breath in my life ending
Had to say just what I was feeling, girl
Cause my sun doesnt shine,
Sun doesnt shine...BRIDGEHave you ever seen a flower that never blooms

See a starless night without the moon
Well thats me without you
So come back and turn my night into day...
...cause lately,
my sun doesnt shine without you...Cause my sun doesnt shine,
Sun doesnt shine without
you
