

Without You

Kyla

VERSE 1It feels like a lifetime,
A thousand days have passed by
Since I held you close to me
If I could see that smile from my friend
I know that I could live again

I need you here with meCHORUSHeaven knows what to say

Even though for right now

you're so far away

I hope and I pray

Somewhere in your heart I'll always stay

Girl, lately

my sun doesn't shine without you

Never noticed

what it feels like to be without you

Feels like I took my last step

And my last breath and my life ended

Had to say just what I was feeling, girl

Cause my sun doesn't shine,

Sun doesn't shine without youVERSE 2This is more for me than for you

Girl, I finally see there's no substitute

For what we have

Do you know how much I love you?

And what we've shared

I can't forget

Girl, a love like yours

I'll never let just slip away

Just promise me that you'll stayCHORUSHeaven knows what to say

Even though for right now you're so far away

Gonna tell you and show you

Do whatever I can do to get back to you

Girl, lately

my sun doesn't shine without you

Never noticed

what it feels like to be without you

Feels like I took my last step

And my last breath in my life ending

Had to say just what I was feeling, girl

Cause my sun doesn't shine,

Sun doesn't shine...BRIDGEHave you ever seen a flower that never blooms

See a starless night without the moon
Well that's me without you
So come back and turn my night into day...
...cause lately,
my sun doesn't shine without you...Cause my sun doesn't shine,
Sun doesn't shine without
you
