

# Underground

## Grouplove

It's nice to know that you're underground  
It's nice to know, never lost or found  
And the hillside covers you through town  
Snowflakes block the view and groundMa, ma, ma, ma, come see  
Woah, woah  
Dad, dad, dad, dad, look at me  
Woah, woahMa, ma, ma, ma, come see  
Woah, woah  
Dad, dad, dad, dad, look at meIt's nice to know that you'll never grow  
It's nice to know deep beneath the snow  
And the hillside covers you through town  
Snowflakes block the view and groundMa, ma, ma, ma, come see  
Woah, woah  
Dad, dad, dad, dad, look at me  
Woah, woahMa, ma, ma, ma, come see  
Woah, woah  
Dad, dad, dad, dad, look at meWoah, woah, ooh  
Woah, woah  
Woah, woah, ooh  
Woah, woahWoah, woah, ooh  
Woah, woah  
Woah, woah, ooh  
Woah, woahIt's nice to know that you're underground
