

# It's Burning

## Sizzla

Di sun ball, inna di sky  
And mi caan stop from shine  
Fire fire, fire, blazing, fire

It's burnin so high and they can't put it out  
Don't be ashamed don't be shy to sing and shout  
This is love it's your life  
I ain't no blasted joke  
Ummm hmmm reach for the sky  
You'll make it I know

All that the people keep searchin  
For the truth because, wrong doing is hurtin  
Di babylonian system just not workin  
Teach us love that's di first ting  
Hmmm, break hey di sunshine today  
Hey, ay, what you gotta say  
You can stay day there's no time to play  
Don't you go in my way

It's burnin so high and they can't put it out  
Don't be ashamed don't be shy to sing and shout  
This is love it's your life  
I ain't no blasted joke  
Ummm hmmm reach for the sky  
You'll make it I know

The earth to hate pon it's axis  
And it can't stop from burn  
What's this pickney a school can't stop learn  
Bwoy ask di fadda why he caan stop burn  
Work hard, for what you want yuh caan stop earn  
Wuy, hotta fire Rastaman a dash it

Don't be ashamed don't be shy to sing and shout  
This is love it's your life

My desire is to see Rastafari in full control  
Keep yuh warm and it's cold so yuh look and behold  
Life is worth more than gold

It's burnin so high and they can't put it out  
Don't be ashamed don't be shy to sing and shout  
This is love it's your life  
I ain't no blasted joke  
Ummm hmmm reach for the sky  
You'll make it I know

All that the people keep searchin  
For the truth because, wrong doing is hurtin  
Di babylonian system just not workin  
Teach us love that's di first ting  
Hmmm, break hey di sunshine today  
Hey, ay, what you gotta say  
You can stay day there's no time to play  
Don't you go in my way
