

# If I Didn't Love You

[Pam Tillis](#)

IF I DIDN'T LOVE YOU

WRITERS TINA ARENA, PAM RESWICK, STEVE WERFEL  
So good When it's good I wanna spend my  
whole life lovin' you

But I'm tired And you don't know how close I've come to leaving you

You try my patience And you race me to the wire It takes every ounce of my will and desire

If I didn't love you If I didn't love you like crazy If I didn't love you baby As much as I do

I'd just walk out the door I couldn't take it anymore I wouldn't put up with what you put me through

If I didn't love you

It's hard But you won't give up 'till you Push me to the wall But I know You're the only one who'll be there for  
me

When I call (oh yes you will) I can't help believing That it's worth it somehow Cause I've worked too damn  
hard

To wanna give up now

If I didn't love you If I didn't love you like crazy If I didn't love you baby As much as I do

I'd just walk out the door I couldn't take it anymore I wouldn't put up with what you put me through

If I didn't love you If I didn't love you Nah, If I didn't If I didn't love you like I do

When you love someone Nothings black or white When the riptide runs There's no wrong or right  
I'll sail with you but I'll refuse to drown So don't you take me down, down Take me down down Don't you take  
me down, down, down

If I didn't love you If I didn't love you I'd walk out that door I don't need it anymore

Need to put up with what you put me through If I didn't love you If I didn't love you If I didn't love you

If I didn't love you like I do I'd walk out that door I'm not comin' back no more No more
