

Does He Really Care

Together Pangea

Does he really care about you?
Is he just a lookin to hide?
Is he really lookin' at all kinds of girls,
Using you to keep it alive?
Does he really care about you?
Is he really on your side?
Does he really care about you?
Is he really on your side?
Mom I'm gonna wait
Mom I'm gonna wait outside
Does he really care about you?
Is he just lookin' to hide?
Is he really lookin' at all kinds of girls,
Using you to keep his vibe?
Does he really care about you?
Is he really on your side?
Does he really care about you?
Is he really on your side?
Mom I'm gonna wait
Mom I'm gonna wait outside
Mom I'm gonna wait
Mom I'm gonna wait outside
Outside
Outside
Outside
