

Hollywood Liar

Grace Jones

Liar, liar, liar, Hollywood liar
Who are you to crash my party
With your mediocre blues Your powder has no power over me
Don't talk to my friends
The way you talk to the girls from the valley
You're just another liar to me Hollywood liar
Hollywood liar
Hollywood liar
Hollywood liar I can see right through your act
The way you lie to yourself
About deals you know don't even exist Dropping all those names the way you think
The game should be played
You're just another liar to me Hollywood liar
Hollywood liar
Hollywood liar
Hollywood liar (Say)
Too mon to mon toul le jomey le very tey
Too par too par, cullear, reason Unfortunately you're my neighbour
But certainly not for long Huh, I'm the writer of this
I'm the printer of that
What you gonna do next?
How you gonna top that?
Distributor of this, editor of that What you gonna do next?
How you gonna top that?
How you gonna top that?
How you gonna top that?
[Unverified] Hollywood liar
Hollywood liar
Hollywood liar
Hollywood Hollywood
Hollywood
Hollywood liar
Kiss me? [Unverified]
Hollywood liar
Hollywood liar
I don't buy it baby
You just get out of my party
