Little Red Shoes

Little Red Shoes

(ahh ahhh ahhh ahhh ooooo)
From the time that he was born
He meant the world to me
and not so long ago
he sat upon my knee

And as the years flew by
the joy of watching you grow
I knew there'd come a time
when you would have to go

Oh you will always be
a little boy to me
and (bom) at christmas time (bom)
you'll (bom) always find
my love beneath the tree

(ahhh ahhh ahhh ahhhh ooooo)
I'm reminded of the years?
(doo doo doo)
making angels in the snow
(sho-be-do-be-do-do)
childhood memories
(doo doo)
and the little red shoes you wore

And as the years flew by
the joy of watching you grow
I knew there'd come a time
when you would have to go

Oh you (you will always be) will always be
a little boy to me (a little boy to me)
and at christmas time (ooooooo)
you'll always find (ooooo)
my (oooo) love beneath the tree

doo dooo dooo doo oooooo
ahhh ooooo

When Christmas comes
It's a happy time of year
and I'm looking toward the door
knowing soon that you'll here

oh you (you will always be) will always be
(a little boy to me) a little boy to me
and (aahhhhh ahhhhh ahhhh) at christmas time
Hey I know you'll find (ahhhhh)
my love beneath the tree

Oh, oh you (you will always be) will always be
(a little boy to me) a little boy to me
and (aahhhhh ahhhhh ahhhh) at christmas time
Hey I know you'll find (ahhhhh)
my love beneath the tree

Oh you (you will always be) will always be
(a little boy to me) a little boy to me
and (aahhhhh ahhhhh ahhhh) at christmas time
I know you'll find (ahhhhh)
my love beneath the tree
