Cherry on Top

Skylar Stecker

We woke up right where we are now
Feels like we're here for a reason
We're lifting off start the countdown
Don't stop playing that beat to the money now
The stars they've gone seem so far now
We're dancing up on the ceiling
Way too high to ever come down
Beat so cold this beat goes freezingCherry on top che-cherry on top
Life's pretty pretty good
Life's pretty pretty good
Cherry on top che-cherry on top
Life's pretty pretty good
Life's pretty pretty good
Cherry on top
Cherry on top
(Silento)
Cherry on top (Skyler)
Beat so cold beat beat so cold
Beat so cold beat beat so coldLife's pretty good but this the
Cherry on top
Life's pretty good but this the
Cherry on top
Hot fudge sundae
Cherry on top
Che-cherry on topYou'll know we're done when we're finished
But we're just getting it started
And we were born to be winners
This night's cold and just like ARDY
Some people don't know the difference
Between the bow and the target
And one thing that you should know is
We won't change for anybody
Cherry on top che-cherry on top
Life's pretty pretty good
Life's pretty pretty good
Cherry on top che-cherry on top
Life's pretty pretty good
Life's pretty pretty good
Cherry on top

Cherry on top
Cherry on top
Beat so cold beat beat so coldCherry cherry
Cherry cherry
Beat so cold beat beat so coldLife's pretty good but this the
Cherry on top
Life's pretty good but this the
Cherry on top
Hot fudge sundae
Cherry on top
Che-cherry on topI just want a ARDY
It's my destiny
We're all here to party
Won't you dance with me
So go and put your hands up
Hey baby what's up
Tell me did you vote for me?
So go and put your hands up
Hey baby what's up
Gimme that ARDY
Gimme that
We feeling that winning
We feeling that winning
Tonight tonight
We feeling that winning
(Put your hands up)
We feeling that winning
Beat so cold beat beat so coldGimme that ARDY
Beat so cold beat beat so coldLife's pretty good but this the
Cherry on top
Life's pretty good but this the
Cherry on top
Hot fudge sundae
Cherry on top
Beat so cold beat beat so cold
