Christmas I'll Be Steppin'

R. Kelly

Oooh, oh my darling
Oh my love yeah
Oooh oh oh, yeah yeahStaring at the Christmas tree
Thinking about having a Christmas party
We're in the club and haven't been playing
Everybody's so in love with everybodyI'll sing a song friends will tag along
Oh the mood is perfect like it's supposed to be
La la la la la
So have no fear
Christmas spirit's here
I'm gonna dress up, gonna celebrate this yearOh this Christmas, I'll be stepping
Stepping, stepping, stepping
Oh this Christmas, I'll be grooving
Grooving, grooving, groovingOh there's nothing better than
Friends and dfamily getting together
Opn this night we're celebrating love
There's never anything wrong
With people getting along
Doesn't matter what the colorI'll sing a song friends and will tag along
Oh the mood is perfect just like it's supposed to be
La la la la la
So have no fear
Christmas spirit's here
I'm gonna dress up, gonna celebrate this yearOh this Christmas, I'll be stepping
Stepping, stepping, stepping
Oh this Christmas, I'll be grooving
Grooving, grooving, groovingI can hear oh
I can hear the sleigh bells ringing
I can see couples under mistletoe
There's so many happy faces on the dance floor
Love is a universal language we all knowOh this Christmas, I'll be stepping
Stepping, stepping, stepping
Oh this Christmas, I'll be grooving
Grooving, grooving, grooving
Oh this Christmas, I'll be stepping
Stepping, stepping, stepping
For this Christmas hey, I'll be grooving
Grooving, grooving, groovingAlright, alright, alright
Alright, alright, alright

Alright, alright, alright
Y'all say
Alright, alright, alright
Alright, alright, alright
If you fell good
Alright, alright, alright
You got a drink in your hand
Alright, alright, alright
Alright, alright, alright
Keep stepping y'all
Alright, alright, alright
Alright, alright, alright
The spirit of Christmas is in this place
Alright, alright, alright
I can tell by the smile on your faces
Alright, alright, alright
Alright, alright, alright
Now if you wanna jingle
Ride your partner hit the floor
Alright, alright, alright
Alright, alright, alright
Jingle to the left, jingle to the right
If you're gonna jingle through the latter
You're gonna jingle through the night
Jingle to the left I see you, jingle to the right
If you're gonna jingle through the latter
You're gonna jingle through the night
Jingle to the left, jingle to the right
Alright, alright, alright
If you're gonna jingle through the latter
Alright, alright, alright
You're gonna jingle through the night
Alright, alright, alright
Jingle to the left, jingle to the right
Alright, alright, alright
If you're gonna jingle through the latter
Alright, alright, alright
You're gonna jingle through the night
Alright, alright, alrightThat's why I'm all dressed up for this Christmas
I'll be stepping
Stepping, stepping, stepping
Oh this Christmas, I'll be grooving
Grooving, grooving, grooving
For this Christmas, I'll be stepping
Stepping, stepping, stepping

For this Christmas hey, I'll be grooving
Grooving, grooving, grooving
