# Angel (Fishead Hell's Angel Dub)

## Tina Cousins

It's not enough to say you're beautiful
It's not enough to say I care
I was empty for so long
Then I heard your song
My jaded heart was filled with innocence forgottenHow was I to know that an angel would come calling for me
How was I to know that heaven was so close
I can feel your love all around me
I can feel your love surrounding
Heaven sent an angel into my life
v It's not enough to say I think of you
It's not enough to say we love
How I prayed that you would come
And melt me with your touch
Like the warmth of spring after the snow has fallenHow was I to know that an angel would come calling for me
How was I to know that heaven was so close
I can feel your love all around me
I can feel your love surrounding
Heaven sent an angel into my lifeAngel, I hear you calling
Angel, I feel you near
Angel, I hear you calling
Angel
