Julia

Conway Twitty

You were always there for me, Julia
I was so afraid to fall in love
I thought you'd wait for me
Is it too late for me now? Have you given up?How it must have hurt you, Julia
Waitin' for your love to be returned
I never knew how
What can I do now that I have finally learned?I never thought that love could hurt me
Now I tremble at the thought of losin' you
And all the perfect words desert me now
Just in case it matter, I love youMay I have this dance with you, Julia?
Won't you let me hold you one more time?
The music is over
But I'll hold you closer this time, Julia, Julia
