White Christmas

Leona Lewis

I, I'm dreaming of a white, white Christmas
Just like the one's I used to know
Honey, it's where the treetops glisten and little children,
They tried to listen, to hear
Hear for them sleigh bells that are ringing in the snowOh, white, I'm dreaming of a white, white Christmas
With every Christmas card that I write you
And I want you to knowMay your days, may your days, may your days be merry and bright
And may all, all of your Christmas' and may all, all of your Christmas'
And may your days, may your days, may your days be merry and brightAnd may all your Christmas' be white
